

# HOW ARE YOU DOING?

We are more than a service organization; we are people dedicated to serving our community in ways that reflect the inherent values we hold true to ourselves.

We embody our roots as doers by continually striving to do the best job possible for our residents and our community every single day.

These values help define us because they come from us. They are a reflection of the work we are already doing on behalf of our community.

## THANK YOU FOR DOING WHAT'S RIGHT.

integrity, respect, transparency, professionalism

## DOING WHAT MATTERS MOST.

service to others, initiative, empowerment, prioritization, authenticity

## DOING IT TOGETHER.

teamwork, inclusion, stewardship, empathy, patience

## DOING IT WELL.

innovation, accountability, operational excellence, continuous improvement

MAKING. LIVING. BETTER.
